Welcome to the School "With the Spirit"

What does Neville High School mean to the students who have treaded her hallways from one class to another? To each of her students she may mean something different. To one, fellowship, to another, fun, but to all her students she personifies a challenge. Each of them feels a challenge to meet the test she offers — if not to pass an examination, or subject, or to graduate, just to get to classes on time. (Who hasn't had a secret fear of those pink - unexcused - tardy slips?)

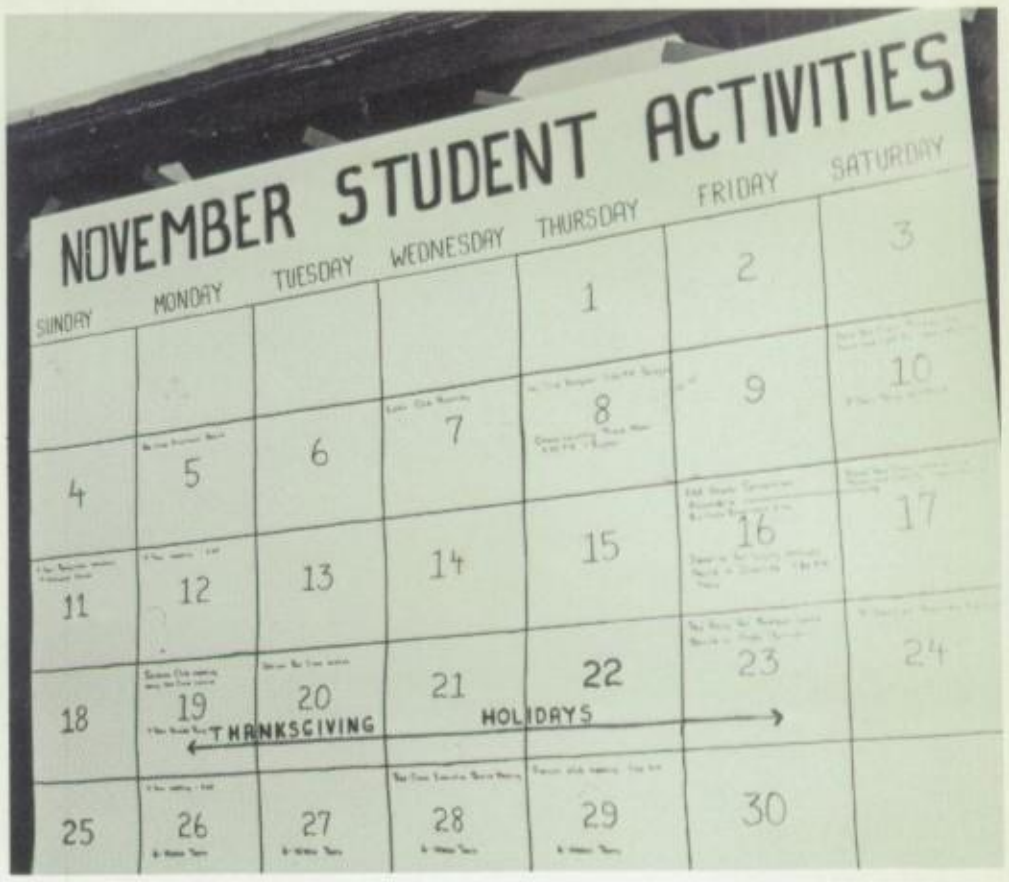
In every segment — not just the academic — one feels the challenge of being a part of Neville. For two consecutive years the football team has met and overcome every obstacle, obtaining the state championship. Not only the football team, but the baseball, basketball, and track teams have worked hard for the state crown. At Neville, everything anyone does — whether with the band, the Tigerettes, or the chorus, is done with the desire to achieve perfection, and be the best. Perhaps this desire to do best is what is known as Neville's famed school spirit, although it shows best when carried over to athletics. It has been said that when the Neville football team walks out onto the football field, the Neville spirit puts the Tigers two touchdowns ahead.

Everything done at Neville is done to be best — and Neville is best — as evidenced by our students' scholastic records, and the number of Merit Scholarship semi-finalists, or in academics, and in athletics, as evidenced by the production of three state championships in one year. Each Neville student is fortunate to have had a part of this spirit. Perhaps each student's life is made better by it, for the legend is that when a Neville student walks down the aisle for the last time — Neville's spirit will walk out into life with him.

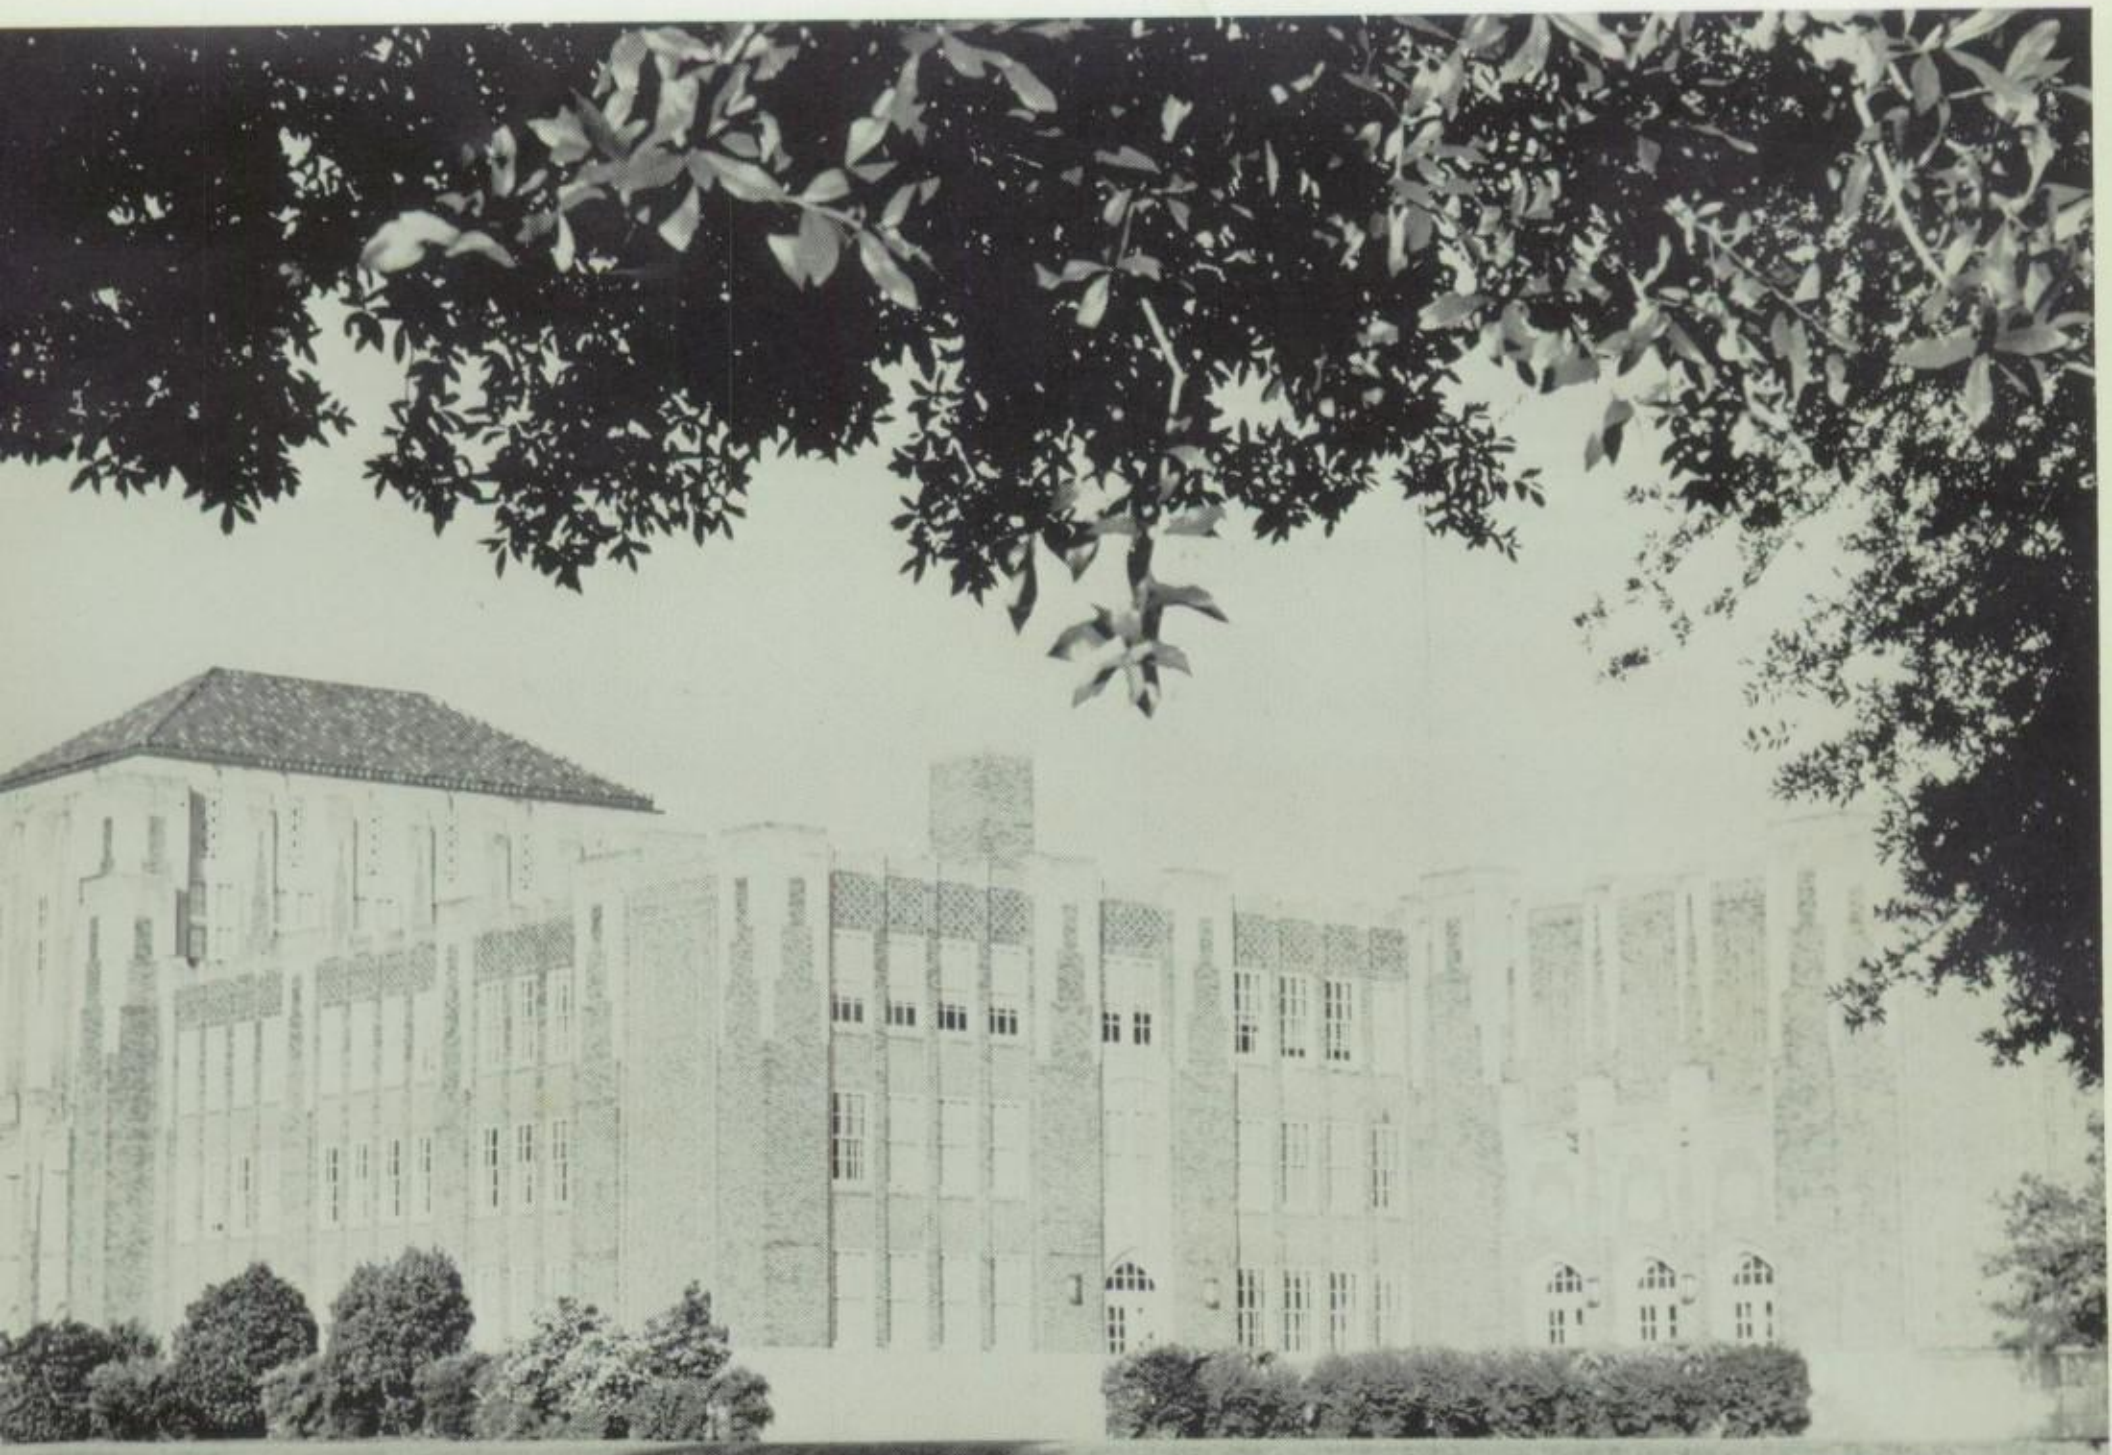
Til Wright holds aloft the flag of Neville High School.

. . . Neville High School

The symbol of Neville High School, the fighting Bengal Tiger, greets visitors from its corner in the lobby.



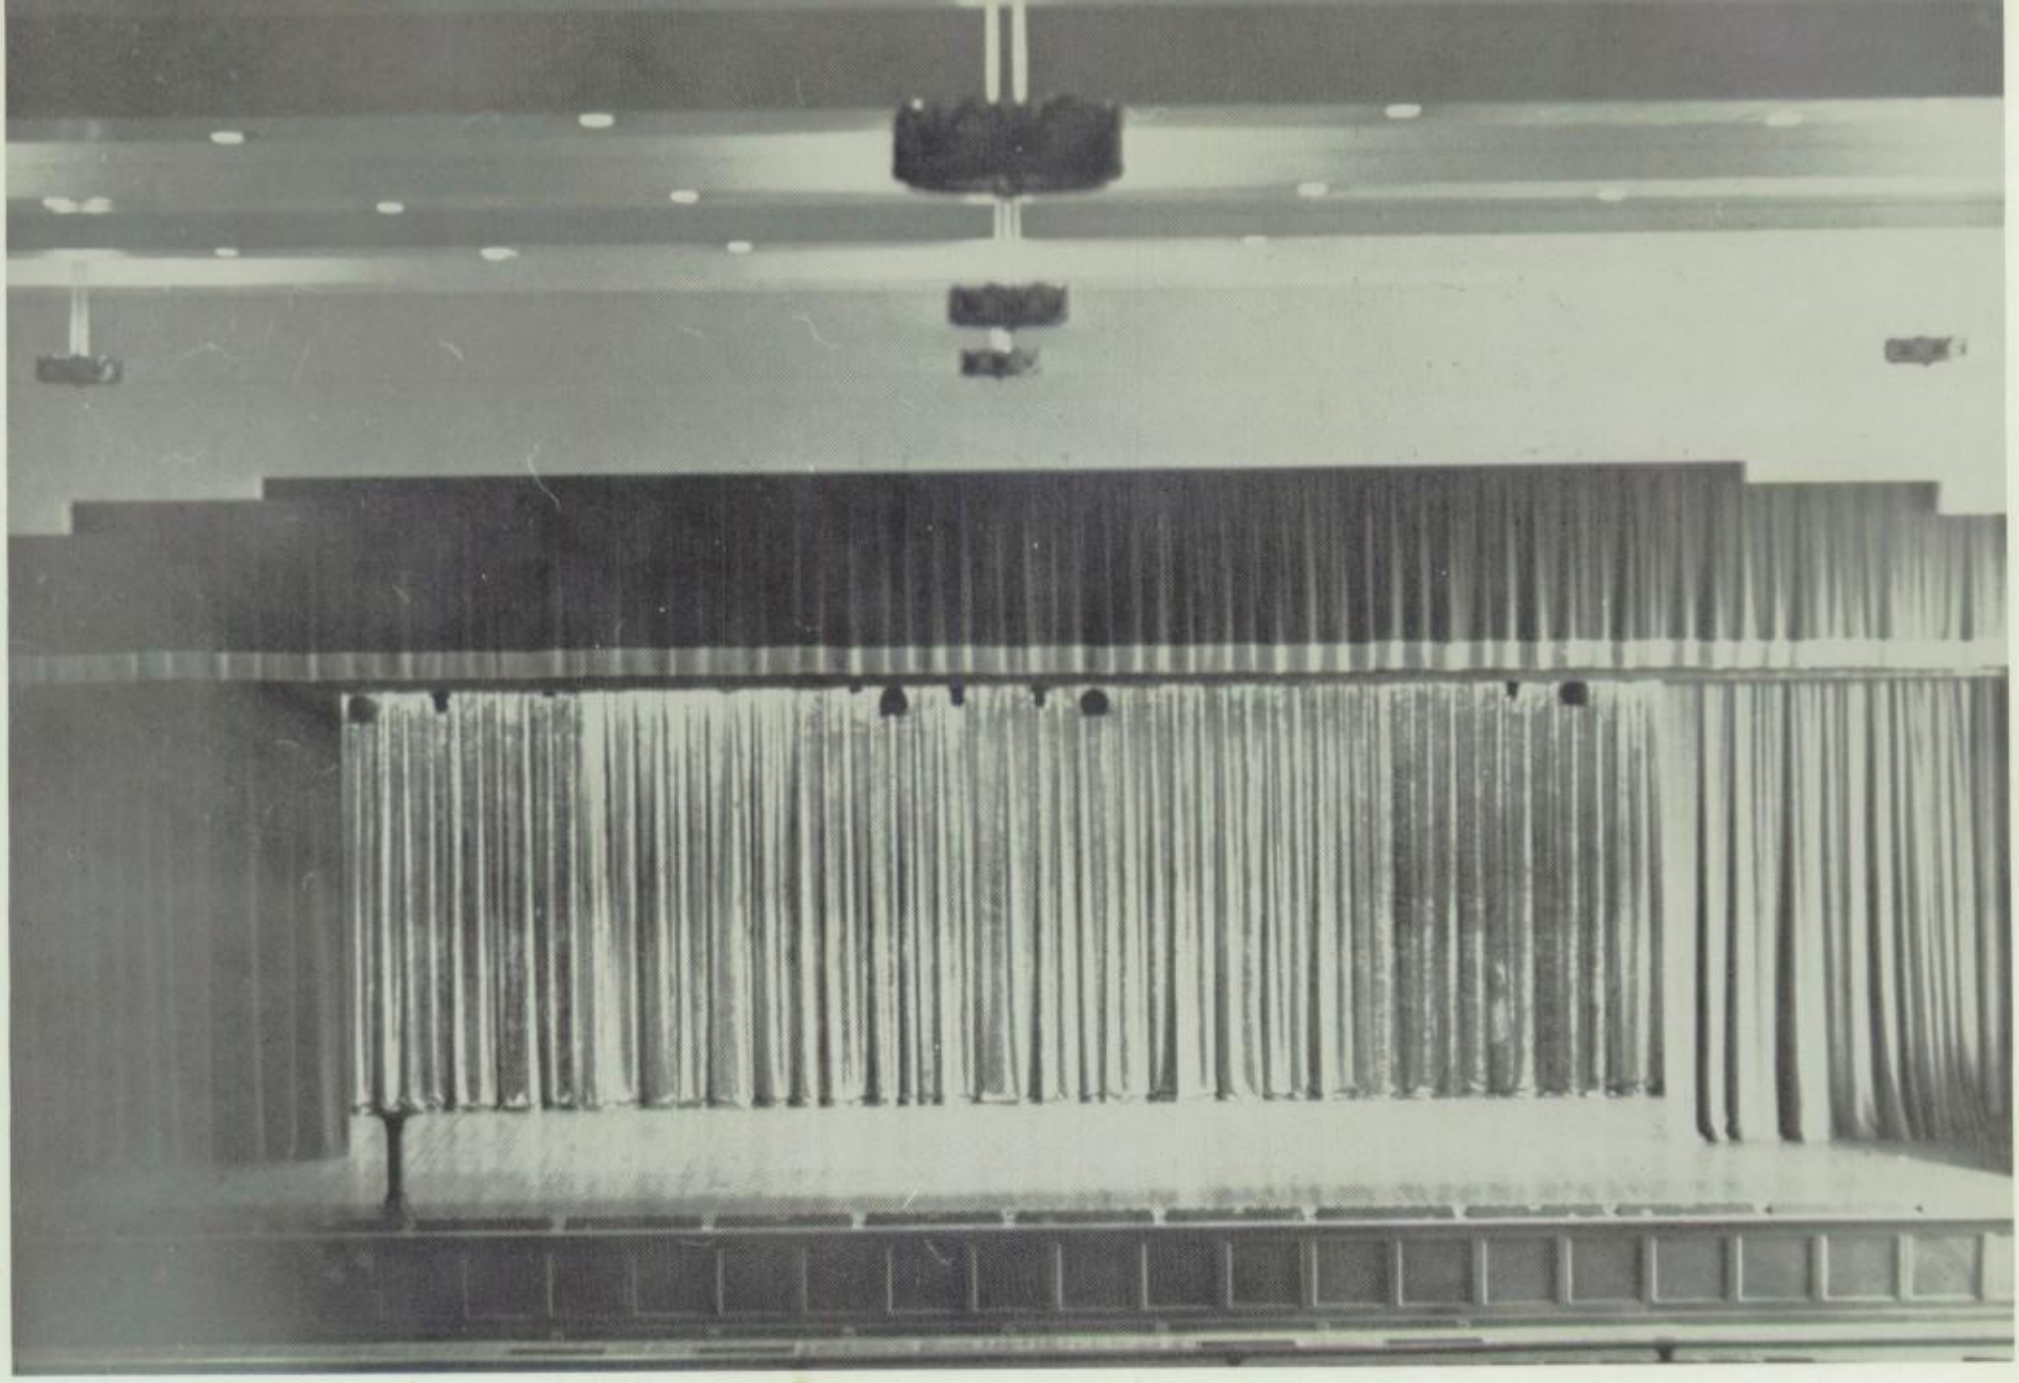
The Student Council sponsored activities calendar for November presents a busy life for the students.



Foreword

O Neville High we sing to thee.
O Neville High we praise.
O Neville High we bring to thee,
Our love, all of our high school days.

You stand a mighty fortress
On Monroe's cherished land.
God bless you, Alma Mater,
Forever may you stand.



The renovation of the Neville High School auditorium was completed as part of the remodeling work done during the summer of '62.

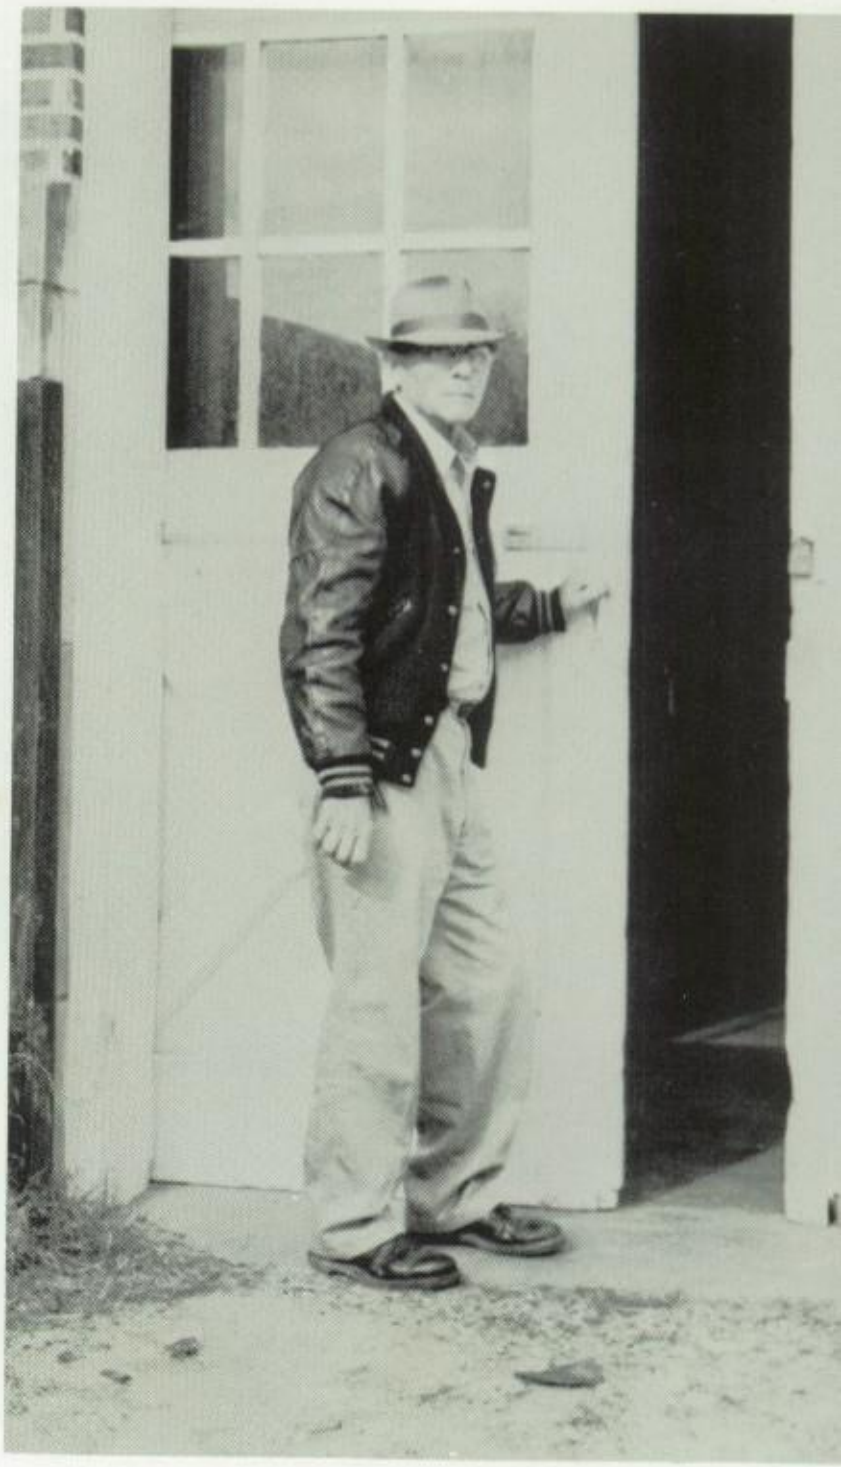
Early birds do some studying before school — Amos Warner, Ann Stevenson, Sage Redding, and Robert McSherry.

Monday morning . . . time to get up. The alarm didn't work so there are only 15 minutes to dress. Hurry, gather up the books. No time for breakfast; there's the ride. Got to pick up ribbons, too. On the way to school, it seems we catch every red light. Well, finally arrived. How do these people get here so early?



The custodian officially awakens the school to another day.

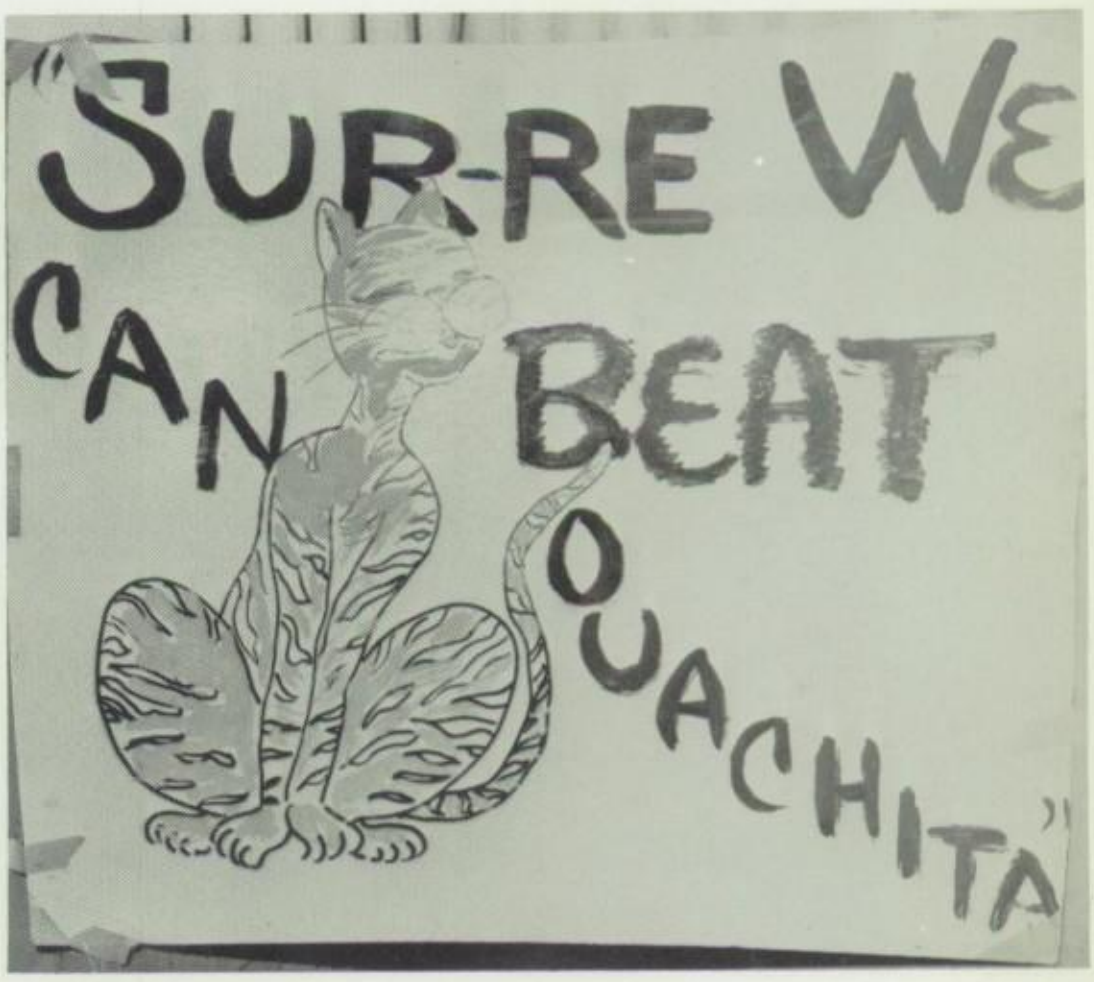
Who said he saw a parking space on the circle?

. . . Stretches and Yawns at Late-Comers

Dashing through the empty halls, one minute before the bell.

School is a hub-bub of excitement because the juniors are ordering their senior rings today. Must dash to library to pick up a book. Oops, there's the bell for homeroom.

Juniors — Jane Head, Wanda Langley, and Sally Pierce — try to make a decision about their senior rings.



Had to get a tardy slip. There's a cheerleader sign that couldn't be seen earlier.

Hunger for Knowledge and for Food

The time for quietness and thought for the coming day.

Sam Caverlee presides over a pep assembly.

First there's the flag bell and then announcements. Three bells — the signal for a pep assembly — ever present Tiger spirit. A chemistry pop test. Studying surely helps. Not another history date . . . will lunch ever come?

Seniors march down the aisle after an assembly.

The lunchline is the place to catch up on the latest.

Combine to Make the Day Complete

These are the announcements for today.

Only five minutes to eat. Must drop by the student council bookstore. You know, Shakespeare wasn't such a bad fellow after all. Thank goodness for study hall. Get started on this homework.

Wonder whether she has a pass.

One can almost hear wheels turning.

The School Breathes a Sigh as the Day Ends

If you step on a few people, you might be the first one out.

Oh, no, not now! That bus driver waits for no one.

At 3:05 the rush is on; at this time a new fad hits Neville, that of seeing how many students can be packed on one school bus.

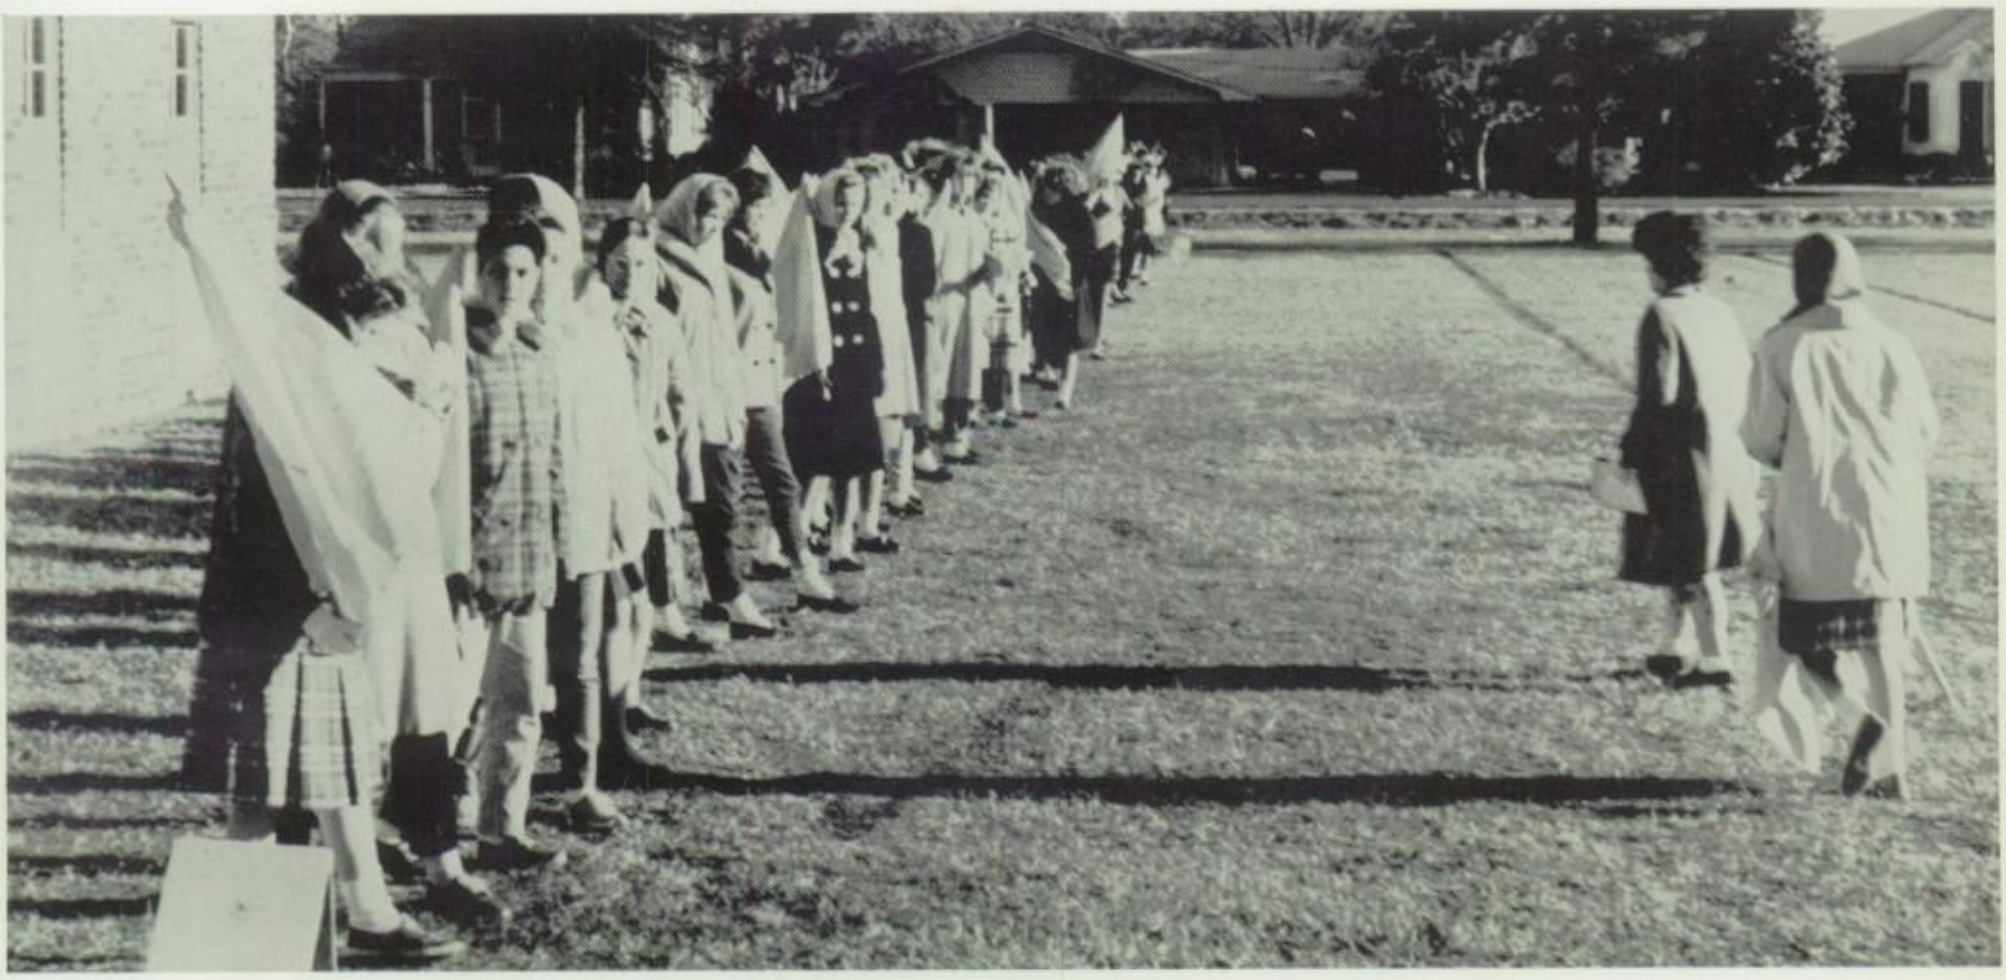
The 3:00 bell announces the end of class and the bugle the end of another school day. Do we have Tigerette practice today? . . . a new show. Don't forget to bring your annual money tomorrow — last day. How is that bus going to hold everyone? Well, now for some homework because it's back to the salt mines tomorrow.

But It's Always Preparing for Tomorrow

A teacher prepares for tomorrow's classes.

Classes are over, but there's always activity on campus — a ballgame, club meeting. These halls are silent, but they will echo again tomorrow with footsteps of eager students.

One would hardly recognize these halls without students.



Okay, Tigerettes, on the double!

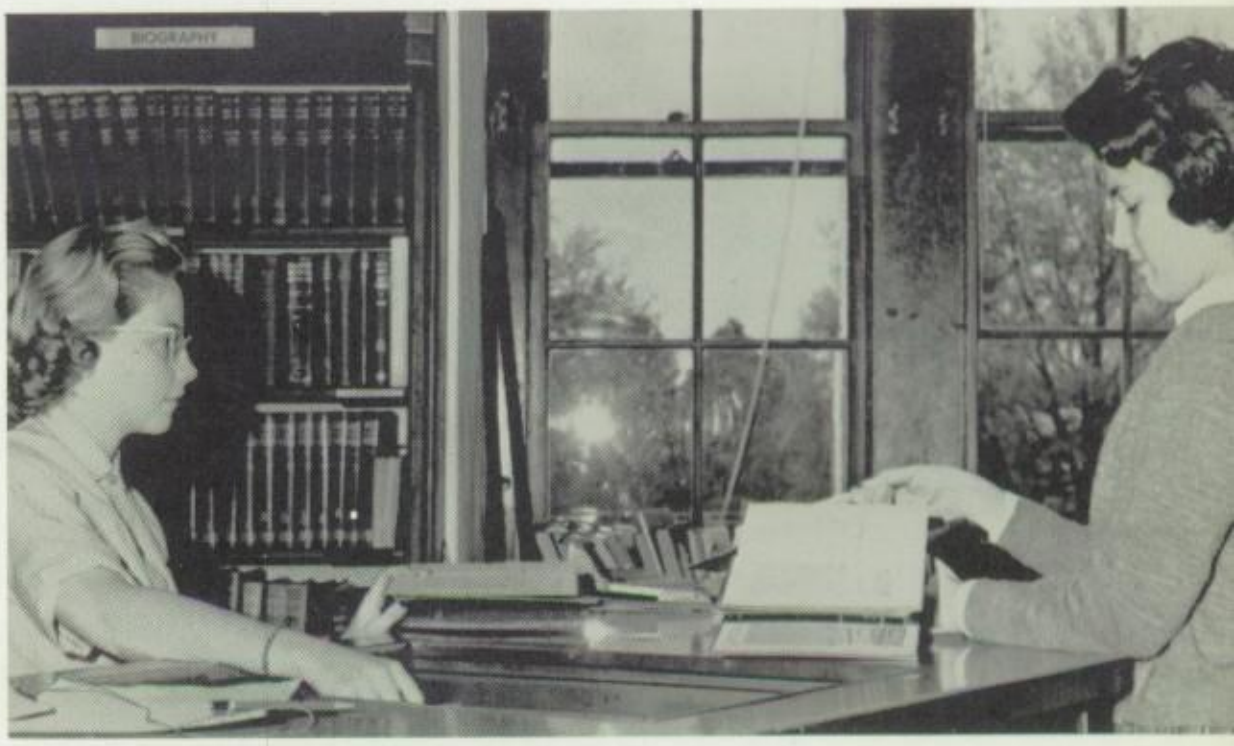
"Quiet, Please," seems to be a phrase that is often associated with a library. At Neville the library is a haven—for those who want to search for enjoyment or knowledge through the world of the written word. The library is an essential part of any school, and we have one of the best. The library is equipped with books on all subjects, periodicals, reference materials, and newspapers. All these make writing term papers and reports, especially in English and in the Social Studies, much easier.



Janet Brown, a library assistant, helps Kay Kilgore check out a book.

English . . . provides the key

English is the basis for American education. If we could not speak our own language or write it well, where would our government and living standards be? Science, mathematics, and history, and other phases of education would not be possible without a language and an intelligent means of recording happenings and feelings. Our love of literature, drama, and poetry causes us to reach for the stars from our firm foundation of grammar and speech.

"Think!" is the watchword of students in the mathematics curriculum at Neville as their minds are filled with problems on percentage, factoring, square roots, and use of the slide rule. Every opportunity is extended to students who intend to pursue such courses as chemistry, physics, engineering, and architecture in college through geometry, Algebra I and III, and advanced mathematics. Student Council makes plans for SAS

Student Council president Sam Caverlee presides over a pep assembly.

STUDENT COUNCIL

The purpose of this organization is to promote better understanding between the administration, faculty and the student body.

The Student Council has many activities to raise funds for its Foreign Exchange Student Program, including a talent show, a bookstore, where paper bound books are sold; and a selling of shares, or bonds in the Foreign Exchange Student Program.

At Christmas the Student Council sent canned goods which were given by members of the student body, to the Goodfellow's. Drive for distribution to the needy. Other activities included a workshop of Student Council members to LEE Jr. High School

and a student assembly where students of Neville discussed ways to eliminate school problems.

Delegates from the council were sent to the Louisiana State Convention of Student Councils, held in Houma, and to the Southern Association of Student Councils Convention held in Richmond, Virginia. In the fall of 1963, the Neville Student Council will host the annual S.A.S.C. Convention.

The council sponsor is Mr. J. R. Lee and officers include: President, Sam Caverlee; Vice-President, Kurt Guelzow; Secretary-Treasurer, Cynthia Leigh; Sergeant at Arms, Tommy Sparks; Historian, Steve Huffman; Reporter, Louise Weir; Parliamentarian, Jim Caverlee; and Chaplain, Til Wright.

Senior members are from left to right: Nancy Crossland, Kathy McSherry, Louise Weir, Tommy Sparks, Gary Gannaway, Nick White, Sam Caverlee, Don Saget, and Kurt Guelzow.

Steve Huffman presents Bruna Clerico with an honorary membership of the Junior Classical League.

Bruna is the center of attention everywhere she goes.

For several years the Neville Student Council worked to raise enough money to finance a foreign exchange student. After numerous projects, including a pancake supper, talent shows, and auctions of senior Student Council members, the goal was finally attained. Nevillites eagerly awaited the arrival of the foreign pupil, whom they had heard was a girl from Italy. When at last Bruna Clerico came in early August, she was immediately caught up in the social whirl for which Neville is noted; and by the time school started, she was a favorite among her classmates. Never having spoken English before, she has learned to communicate easily with Americans, and has proved quite successful in her school work.

What kind of life did this attractive girl lead before coming to the United States? Born in Saluzzo, Cuneo, an Italian province, she moved to Turin at the age of one. Her parents are Francisco Clerico, who works in a factory, and her mother, Piera Clerico. She has two sisters—Rosalba, 25, and Milena, 23. Living in an apartment with Milena and her parents, Bruna has always attended school in Turin, where she has won many awards. Not inexperienced with languages other than Italian, Bruna went to Toulouse, France in 1958 to learn to speak French more fluently. In 1960, she visited friends in Germany, where she practiced that tongue for two weeks. After much competition, Bruna was notified that she had been selected by the American Field Association to come to the United States. With only ten days left before her ship was to sail, Bruna hastily prepared to leave her family and friends for a year to live in a strange land. Aboard the ocean liner, loaded with 800 foreign exchange students, Bruna had a marvelous voyage and thoroughly enjoyed it. After docking in New York, she flew to Monroe to be greeted by happy Neville students. In answer to questions about whether she likes America and its people, Bruna emphatically replies "Yes." She likes American food, especially bread, and has gained weight on her new diet. The customs and habits of our youth not radically different from those of Italians, are exciting to her. Everyone concerned with the situation, including Dr. and Mrs. Cyril Yancey and Connie, are successfully carrying out the highest ideals of the foreign student program.

Bruna has fit in perfectly with the active student life here at Neville. She is a member of the Student Council and has attended both the Regional and National Conventions. She was selected for membership in the French and Latin Clubs. Being a Tigerette, Bruna has enthusiastically supported all of that organization's activities. She was selected as an honorary Red Cross member and was elected to the coveted position of Most Intellectual Senior Girl. Bruna is truly an asset to Neville and an inspiration to the Student Council's foreign student program.

spirit throughout the year.

Paula Neal and the Neville Tigerettes were born the same year—1945. In fact, Paula's father, Paul Neal, organized the Tigerettes. Paula was "adopted" by the group, who wanted to take pictures of her as soon as she was born so that they could be used in the yearbook. Mrs. Neal, now a teacher at Neville, at first ran the girls off, but later consented to Paula's being a mascot. Paula was only three when she wore her first "Tigerette Uniform." Even then Paula was a neat and snappy dresser, and her conduct and attitude when in uniform have never ceased to be a credit to the Tigerettes. It is fitting that we dedicate this section about the organization to Paula Neal.

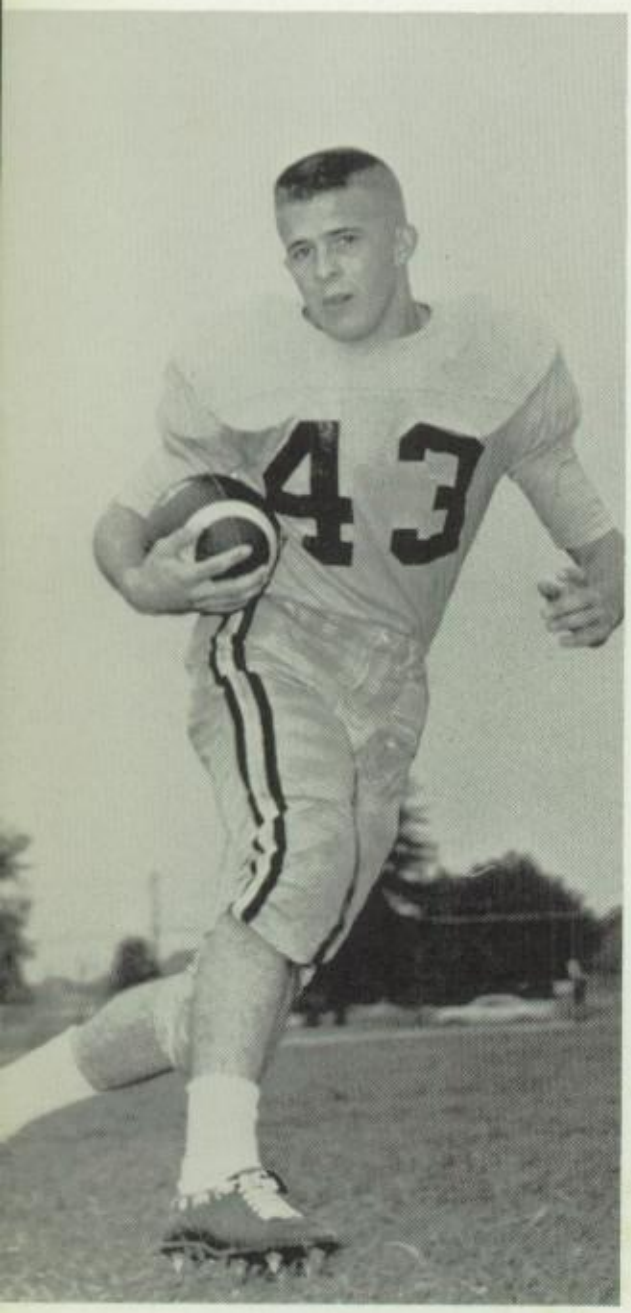
Neville 26 West Monroe 7



West Monroe took a 7-0 lead mid-way in the first period when Bobby Brice went over from the one yard line. Neville's first TD came with 4-48 minutes remaining in the first half when Kurt Guelzow took a handoff on first down, hit over the right side, found daylight to the left, and sped 70 yards to paydirt. Howard added the extra point and the Tigers had just given a preview of what was to come. Late in the third quarter, W. M. punted from their own 34 to Neville's 44 where sophomore Ronnie Clark gathered in the ball, started to the left, but suddenly handed the ball to Howard on a criss-cross. Howard cut the right corner and sped the distance. Failing to drive after taking the kickoff, W.M. once again punted to Howard, who took the ball on his 30, faked a handoff to Clark and picked his way 70 yards for his second TD of the night. The Tigers still weren't satisfied and with 1:25 left in the game, Guelzow racked up a Rebel ball carrier behind the line and ended up with the ball on the 19 yard line. With 32 seconds remaining, Chip Planchard danced 6 yards for the Tigers' last TD. Howard booted straight and Neville had its 26-7 victory.

Scoring the second time they got their hands on the ball, Neville came up with a 19-0 victory over stubborn Bastrop. Don Johnson set up the first TD with a 36-yard gallop, and Howard scored from the 3 with 5:12 left in the first quarter. Howard's kick for the PAT was blocked and the score remained 6-0 for the rest of the half.

Bastrop took the kickoff on its 40, and in four plays drove to the Tiger 9, but fumbled and Neville's Ronnie DeMoss pounced on it to end the threat.

Neville's second TD came after a 10 play drive from their 38. Planchard fot 22, Howard 7, and Planchard went again for 1 and the TD. Pappas tried to run for the PAT but was pulled short. Late in the third, Neville began its third TD march from its 40. A 21 yard jaunt by Howard was the longest run of this push with Planchard, Howard and Pappas adding yards. Planchard went over from the one. Pappas ran for the extra point and made it this time and it was 10-0 with 10:17 remaining in the game.

Neville swept to a 38-0 district 2-AA victory over Haynesville behind the running efforts of HB Jimmy Howard. The Tigers scored within a minute of the opening kickoff. Howard set up the first TD on the second play from scrimmage, ending on the 27 yard line, where Chip Planchard ran the 27 yards for the touchdown. The conversion failed, Neville scored again with Howard going over from the one after a series of first downs and a penalty put the ball on Haynesville's 12 yard line. The Tigers took possession again after a bad Haynesville quick kick and two plays later Howard scored with Dewitt Beckett kicking the PAT. Mid-way in the third quarter Beckett scored from the three after a long pass play from Mike Mack to Robert McSherry. The PAT attempt failed. Mack scored in the fourth period from 12 yards out putting an end to a Tiger drive that started on their own 39 yard line. The final tally came on a 65 yard pass play late in the fourth quarter.

Pappas also had an 80 yard TD run nullified by a penalty. Howard's first and third field goal attempts failed. Howard turned in a one-man performance to lead Neville to its first score by intercepting a wayward aerial at the Winnfield 45. Ten plays later, Neville was at the Winnfield 3 and Howard went across with 11 seconds to go in the quarter. In the 2nd period, Neville drove from its 47 in 12 plays with Gary Pappas going over from the 3. Planchard picked up the next score that capped a 70 yard Neville drive, that took 9 plays. Planchard scored from the 3. Howard kicked all three conversions and the Tigers led 21-0 at the half. Neville's final tally started on the Tiger 41. Andy Mapp made the longest run of the night on a 49 yard sprint after Marrus fumbled a pass on his own 30 yard line. Neville Tigers, Jim Howard, Chip Planchard, Gary Pappas, and Don Johnson were constant break away threats but found themselves pitted against a team with near equal speed. Neville's defensive squad, led by Johan Segars and James Willis, stopped two serious Jonesboro scoring threats—one in the first quarter and the other in the third.

Halfback

With touchdowns by Jimmy Howard, Don Saget and Don Johnson, the hard-hitting Tigers topped the Ruston Bearcats 19-0 for their homecoming victory. After taking a 39 yard pass from quarterback Don Saget and battling his way to the 10 yard line, Halfback Howard scored the first Tiger tally in the second quarter. In the fourth period the still injured Saget hobbled across from the 6-yard line. Fullback Don Johnson scored the final 6 pointer with 2 minutes left in the game. Howard, who got the only extra point, Johnson, and Halfback Chip Planchard, who started the drive for the second TD, led in ball carrying.

Guard

HB Jimmy Howard scored three times and FB Don Johnson went over twice to lead Neville to a 33-7 victory over Tallulah's Class A Trojans. QB Don Saget whipped two touchdown passes to Howard, one a 74-yard pass play in the second quarter and the other a 27 yarder in the final period. Johnson's tallies came on plunges of one and two yards in the second and fourth quarters. Defensive HB Ronnie Clark intercepted a Tallulah pass and carried it to the Trojan 15 yard line to set up Johnson's second quarter score. His other tally came after the Tiger defense thwarted Tallulah's fourth quarter passing attempts and gained control of the ball on the Trojan 30 yard line. Howard attempted three field goals and successfully converted four points after attempts with his booting.

End

Neville took advantage of Lake Charles' being offsides and from there really got going. Jim Howard rammed for 13 and Don Saget threw a 26 yard aerial to Gary Hart which carried to the L.C. 30. Seven plays later, Gary Pappas plowed the final yard for a score. Howard kicked the conversion. Neville's second score came on a 4th and 8 from their own 40 with 44 seconds left in the half. Here, L. C. dropped back to receive an expected Tiger punt, but the Tigers didn't punt. Saget threw to fullback Don Johnson, who picked his way through the onrushing secondary for the TD. The after attempt failed. Saget clicked with Pappas on a 27 yard pass which he carried to the L. C. 39. After Saget ran 8 and first down, Johnson carried twice straight for another score. Howard added the PAT. Howard killed a L. C. scoring threat by spearing a pass in the end zone. Pappas led in rushing with 85 yards on 18 carries. Saget completed 5 out of 9 passes for 119 yards.

SCOTTY CAMPBELL
Tackle

Halfback Jim Howard scored twice and quarterback Don Saget crossed the goal once to lead the Tigers over Ouachita 21-6. The victory marked Neville's second straight undefeated season. Ouachita had a hard time bucking the Tiger line. Lion runners were on occasion thrown for repeated losses. Howard's long run of 76 yards on his second score was the highest in the contest. Two tackles, John Segars and Richard Wilkerson sparked the Tiger line on what seemed like goalline stands everywhere on the field and forced the Lions to the air. The first quarter touchdown by Howard was ignited by Nick White's recovery of a Lion fumble, and Gary Pappas, Kurt Guelzow, Don Johnson, and Howard combined to take the ball to the 2 yard line in eight plays.

A capacity crowd of 6,500 spectators saw the defending state Class AA Champs score in each quarter behind the quarterbacking efforts of Don Saget to eliminate the Lumberjacks from the chase. Neville made sure of a 23rd straight win by pulling away to a 12-0 first half lead on single scores in the first and second quarters by Don Johnson and Gary Pappas. Springhill scored in the 3rd with Miller taking the scoring pass from Sessions and the game remained a tight one until late in the 3rd period when Neville drove from the midfield stripe to the two, where Johnson tallied on a drive through right guard.

Neville's final score came late in the 4th quarter when Gary Hart covered a fumbled punt on the Lumberjacks' 17. Three plays gave the Tigers a first down at the 4, and Pappas went through his left tackle position for a score.

RICHARD WILKERSON
Tackle

Neville used a bevy of hard running backs and a clutch defensive performance to shut-out the Bulldogs 26-0 at Brown Stadium before a crowd of nearly 7500. Don Johnson, who was terrific the entire game, got the first score with 1:55 remaining in the initial period. Jimmy Howard carried for Neville's second tally on a two-yard plunge with 7:20 left in the third. The Speedster also scored both extra points, kicking one and running one. In the fourth quarter, the Tigers rallied around the fine running of Gary Pappas and rammed for 2 more tallies to complete their scoring. Pappas personally scored one on a 9-yard scamper, after helping set it up with a 23-yard run, and quarterback Don Saget raced for the other on a pass or run option play which netted four yards. Neville's last TD came with 5:38 left in the game. Guelzow and Johnson did a tremendous job as linebackers and such boys as Tom Sparks, Richard Wilkerson, Ronald Killen, John Segars, Ronnie Clark, Saget, and Howard came up with important tackles consistently.

For their 25th straight victory and third championship in four years, the Neville Tigers went all out to take Reserve 14-7. End Walter Causey snagged an 11-yard pass from quarterback Don Saget in the third quarter for the first score of the game. After a Reserve score Neville Halfback Kurt Guelzow rammed through the Wildcat line with 4 minutes left in the game to cap a 94 yard Tiger drive which broke the tie. Quarterback Ronnie Clark kicked both extra points successfully. Guard Nick White saved the day with a tackle in the final two minutes which stopped the Reserve advance. Gary Pappas carried the bulk of the Bengals' ground attack. Neville led in first downs 13-12 and in yards rushing 173-133.

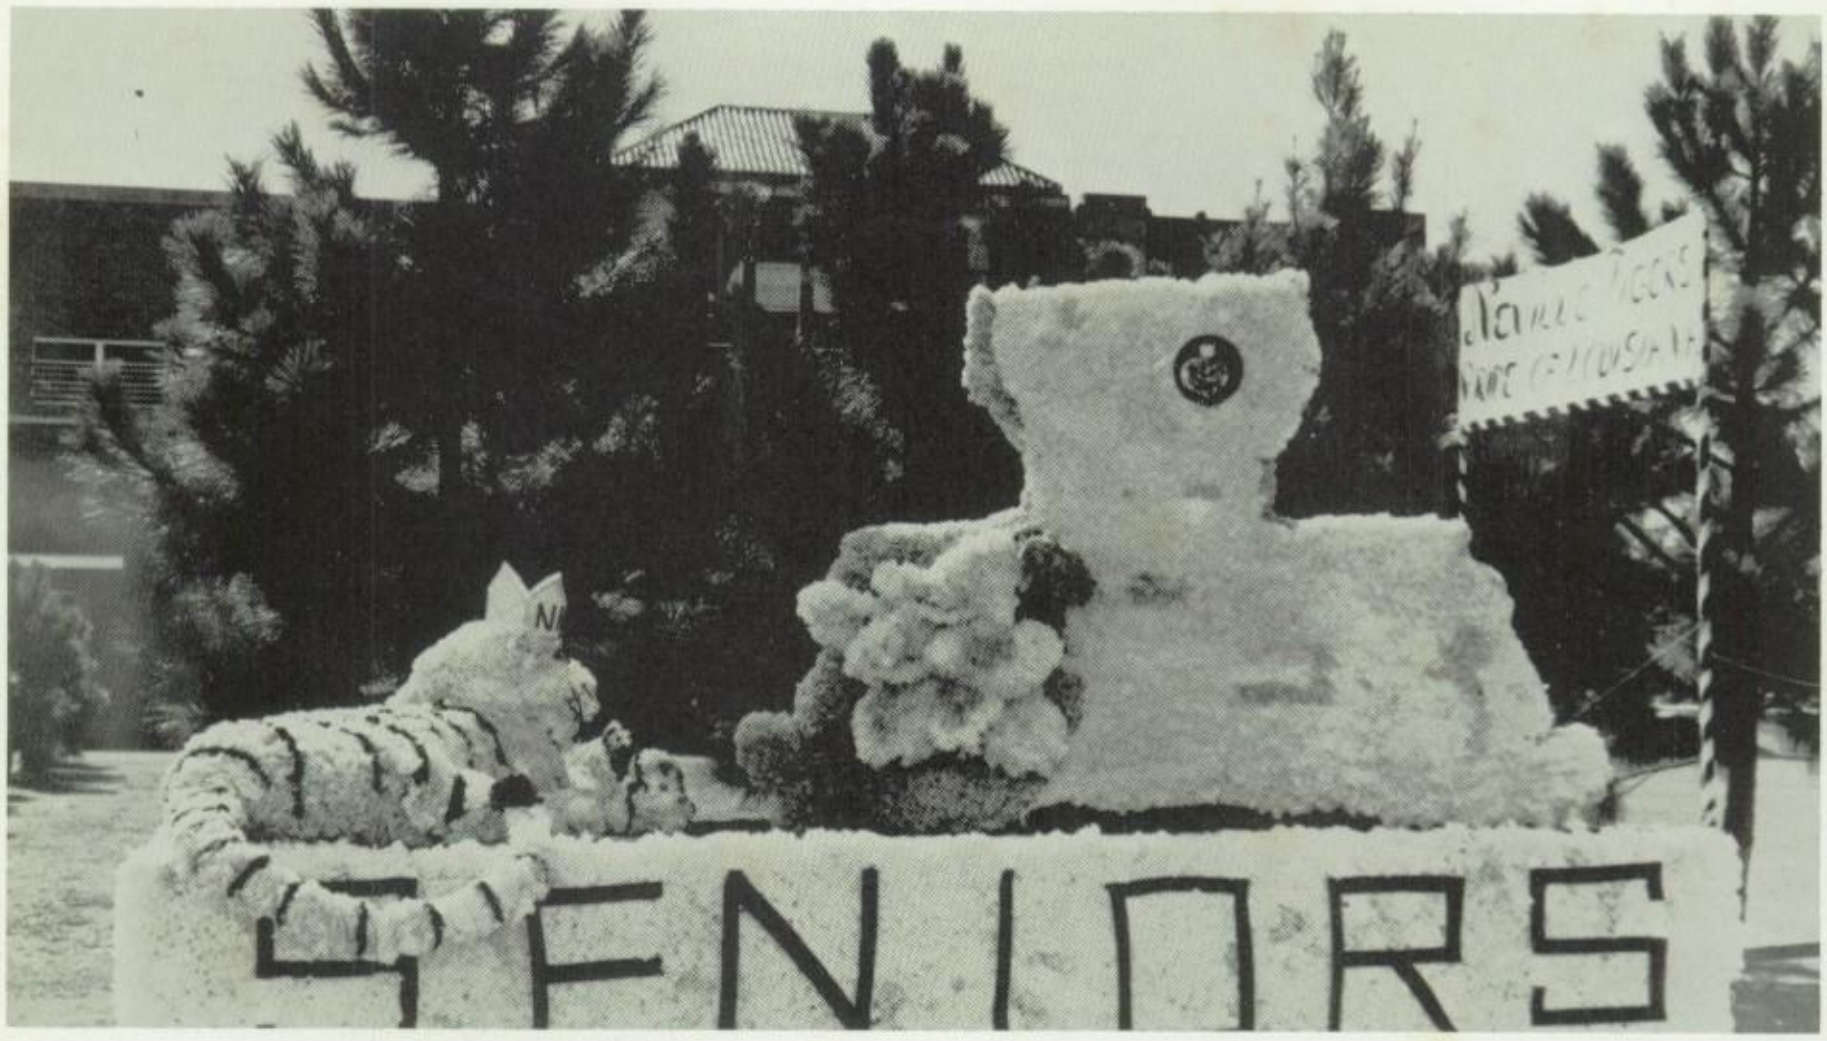
1963 Seniors set the cours



Winning first place in the 1962 Homecoming parade was the float entered by the senior class, which honored Neville, the pride of Louisiana.

Finally SENIORS? *Graduation* . . . what a fabulous little word, but then who knows? We are torn between love of Neville and curiosity about what's in the outside world. Four years . . . seems like no time since we stood up as freshmen for those '59 seniors. That was the greatest year we thought . . . what excitement when we were a part of Neville at the first freshman game, our first out of town varsity football game, our first State AA Championship. Who can say whether trips by student buses, Tigerette buses, or Band buses were most fun. For our first homecoming we worked whole-heartedly on our float, "Butcher the Buffaloes," and won first place! Our class made another dent in Neville life when Nancy Crossland became Queen of the First Annual Neville Relays. (It even snowed on Valentine's Day . . . Remember?)

When we were sophomores we thought we knew it all . . . "Wise Fools!" Our boys played varsity football, basketball, baseball, and ran track; our girls played varsity basketball. Many earned jackets. We were so proud of "little" John Segars and "Gabby" Killen. Cynthia Leigh headed the Latin Club. Barbara Mulhearn was a homecoming maid, and our float "Bury the Farmers," placed second.

Our junior year was filled with more fun. We worked on ideas for the prom . . . invitations . . . a theme, Peppermint Twist . . . decorations, red and white . . . favors, peppermint candy canes and charms. These materialized by May, and the Virginia Roof was a fairyland with 1,000 balloons . . . Ordering our Senior rings . . . Campaigning for Sam Caverlee and Kurt Guelzow, who became President and Vice-President of the Student Council respectively.

September of '62 . . . "Lords of the Domain." For the first time we marched down the aisle as seniors. KK Kite, Diane West, Nancy Crossland, Kathy McSherry, Gay Hargrove, and Diane Clark led cheers. We have front row seats. Ann Adams is drum major; Jimmy Howard heads the Key Club; Tommy Sparks, the Lettermen's Club; Sam Caverlee, the Student Council; Cynthia Leigh, the Tigerettes; Paula Neal, the Safety Council; Shawn McBride, Science Club; Beverly Blackmon, French Club; Sage Redding and Holly Bayne, Co-Editors of the '63 MONROYAN; Kathleen Cochran, Editor of the revitalized *Sizzler*. Class officers are Kurt Guelzow, Don Saget, Kathy McSherry, and Carolyn Murray. All of the privileges of Seniors shine brightly . . . big pictures in the annual . . . being excused two weeks early . . . the end of the year assemblies for awards and the prophecy. Last but not least . . . Graduation!!!

"But deep in our hearts we will hold a place eternally . . . and there we keep our loyalties . . . and all our memories of thee."

for Tiger Underclassmen

The 1963 Senior Class has earned many distinctions and set a course for the underclassmen to follow. Winning recognition all over the state were eleven students who became semi-finalists in the Merit Scholarship competition and seventeen senior football players who helped lead the Tiger team to its second consecutive AA state title. Leading the class which also entered the winning float in the homecoming parade are Kurt Guelzow, President; Don Saget, Boys' Vice-President; Kathy McSherry, Secretary; and Carolyn Murray, Girls' Vice-President.

Merit Scholarship semi-finalists are Edmund Burton, Richard Mulhearn, Nick White, Phil Guthrie, Kenneth Easley, Charles Phillips; seated are George Hargus, Cynthia Leigh, and Sam Caverlee. Not pictured are Paula Neal and Shawn McBride.

D. Futrell, Jr., Harvey Hales, Fred Vogel, John Segars, Bunzy Bryant, Kurt Guelzow, Joe Canal, Billy Langston, Gary Holt.

Freddie Moses wins the 220 in the District Meet in Tiger Stadium.

District Meet

The Tiger team broke five marks as they racked up 102 3/5 points to take the trophy at the 2-AA District Meet held in Tiger Stadium. All relay records were bettered by the Tigers; the 180 low hurdles mark fell and John Segars bettered his own discus record.

State Championship

Making it "Two Down, One to Go," for Neville's state championship winning athletic department, the Tigers scored 50 points to 32 each for Abbeville and Pineville. Don Brant won the 100 in 10.1 and the 220 in 21.8 and ran legs on record breaking 440 and 880 relay teams to pace the Tigers' victory. The relay performances were 43.3 and 1:29.4. Other Tiger team members who placed in the meet were Fred Vogel, second in high and low hurdles; and John Segars, fourth in the discus.

Members of the Tiger 880 relay team are from left to right Don Brant, Freddie Moses, Mike Wilson, and Bunzy Bryant.

Twin City Relays

The Tigers staged a last minute rally to edge West Monroe for first place in the Third Annual Twin City Relays. The turning point came when Mike Wilson turned on the speed to come from behind and beat the Rebels' entry to the finish line in the 880 run. The Tigers placed first in seven of the running events.

NORD Meet of Champions

Annually, the New Orleans Recreation Department sponsors a meet of track champions from all over Louisiana. The seven members of the Tiger track team who entered were Don Brant, Freddy Moses, Steve Jefferson, Mike Wilson, Bunzy Bryant, Jimmy Howard, and Kurt Guelzow.

The state Double A Champion Neville team defeated Byrd in the mile relay with a time of 3.24.2. The victory fulfilled a season long ambition for Neville. "We came here for one reason," the Tigers' Jimmy Howard said after the races, "to beat Byrd." Howard, Bunzy Bryant, Kurt Guelzow, and Mike Wilson ran on the winning team. Bryant, Wilson, Moses, and Don Brant also ran on the Neville's record-breaking 880-yard relay quartet which was clocked in 1:29.1.

Members of the mile relay team are from left to right: Jimmy Howard, Freddy Moses, Kurt Guelzow, and Bunzy Bryant.

In the movie "It Happens Every Spring" a chemical formula was discovered that led a team to the World Series. Neville's magic combination of training, team cooperation, and school and public backing proved to be the formula for winning another Double AA State Championship trophy as the Tigers defeated Minden, Menard of Alexandria, and Abbeville.

Herschel Walker hurled a four-hitter and Mike Mack belted a three run homer as the powerful Tigers defeated the Wildcats from Abbeville to win their second straight AA Championship. Making the All-State team were Joe Canal, shortstop; and Eddie Kincaid, catcher.

Last Days Were Filled With Eventfu

Mr. Seegers presents an award to the President of the 1962 class, Kim Breese.

A highlight of the class of 1962's graduation activities was participation in the annual Class Day program. Musical numbers, reading of the rollicking class will and prophecy which proved to be funnier to the seniors than any member of the audience, and awarding of medals to class officers were included in the program.

Student Council

"Join the Calvary for Caverlee" proved to be the winning slogan as Sam Caverlee defeated Kurt Guelzow after a spirited campaign for 1963 Student Council president. Outgoing president Mike Riley presents the gavel to new proxy.

Latin Club

To promote the study of the classical languages, the Latin Club celebrates Latin Week. During the week students used colorful posters depicting Roman life and culture and initiated new members. Auctioning off a Roman "slave" Jerry Album is Bo Pasternack.

Dear Herb,

I won't bore you with all of this that you've all ready been told so many times, I know. I just want to tell how good it makes me feel to be one of the crowd—and you're one who has made me feel that way. You can really make someone feel fabulous (even though someone, like me, really is just an idiot!)! Herb, keep that outstanding personality of yours and you will never have anything to worry about — AT ALL — and I'm serious! I hope you and Mary Alice will go on forever, for you two make a perfect couple. I hope I never lose your friendship! Try to remember me - for I'll never stop remembering you! Best of luck always to a wonderful friend!

Love,
Connie
ΔΣΧ

Herb —
Well our final few weeks have suddenly arrived. We're going to really have to have a blast during the graduation parties. It has been swell knowing you over the years — from Grammar School to High School. I hope that though we are all going to split up, going to separate colleges, we can and will remain the best of friends. Don't forget me as I can never forget you. Good Luck
Linda

Wow, this is it. Where did the time go? I can't believe that you're done - and that you're leaving me behind. It's a lot different here without you. I'm still trying to get used to it. Honestly I hope our guy can be the same. I have a lot of confidence in him. Good luck with all your future endeavors.

Love,
Linda

Heab,

I can't believe this is your last year. Only yesterday we were in Junior High. Where did the time go?? I can't believe that our class will be seniors and yours will be gone. Last year when we lost our seniors it was bad - but I can't even imagine what this school will be like without ya'll. Heabe - you have a good chance to make something of yourself. Some people have a quality -- a very special quality. This is making other people feel at ease and being easy to talk to. The first day I sat by you in study hall - do you know what we talked about. Try to remember!

Thanks for the help you've given me this year. Best luck to you in the future — Amanda

Neville sure is going to miss you next year. It won't be the same around here without good ole' Herb. I hope next year you won't forget all of us back here. This year really has been great, and I hope that you and Mary Alice last a long time — Because y'all really were meant for each other. Thanks for all your advice. I don't know what I would have done without you & your help in "IV Study Hall". May God be with you always. Be good. And I hope you get all you want out of life because you deserve only the Best.

Love ya
Dianne

Herb,

It has been just wonderful knowing you. You have made Neville a whole lot more fun and to me you are just a great guy. I don't think I'll ever forget Herb. I remember when I came to Neville & had a crush on you. It was so funny, but now I accept you as a real friend. I hope you have the best of luck.

your friend,
Dana

Herb,

There is really a lot I have to say. I think you are the nicest guy in the Senior class. You are always nice, kind, and considerate to the people you know. There aren't very many people like that any more. It is a whole lot of fun being with you & you know who. Your great personality, ability to get along with people, and your good sense of humor will make you a success wherever you go.

I think it is great that you & Pank are getting along so well. That really is wonderful. I knew you all would finally start getting along. Be sweet & try & be good to her. It will work a lot better.

Well Herb guess I better quit before I take up another page, but really I think a whale lot of you. May God bless you and I hope you have all the luck in the world.

Love,
Donna

Herb,
You are really a great guy. It's been fun being with you. I'm glad I've enjoyed this school year. Best of luck next year and (God) Love, Herb
Judy Robertson

Herb-
Well, this is it. I'm just about through with a great year. I'll be the last one for you. Herb, you are a great person and I know you'll love college. Good luck in everything that you do.
Love,
Judy

Herb -

You are just about the greatest guy in the Senior class. I'll always remember the pep talks you have given me Herb, there have been so many times that you have talked to me and made me feel 100% better when I was so depressed. Now, how could I ever forget a wonderful guy like you? I'll never forget the dates we had. We both knew we'd never fall in love with each other, so that made it easier to talk about different people. You have taught me so many things about growing up and just life in general. You're just about the greatest guy on this earth. Stay that way, Herb, for I shall always what to remember you that way.

I am glad that you and Pat are getting along so well. Just remember to always be good to her, because I know you would never want to lose her. And if I were her, I would never want to lose you, either. May God bless you both, & I sincerly mean that, Goose.

You have been one of the greatest brothers a girl could ever want. I will always love you for helping me, but most of all, for just being my brother & good friend. I wish the best of luck to you in college wherever you will be. But always remember that you have a sister & that is me!

God bless & good luck,

Love,

Brenda

Herb -

I agree with Brenda - you are about the greatest boy in the Senior Class. You don't screen people before making friends and that is quite an atribute. Humm ---- And you can keep secrets pretty well too !! (hee hee)

Well - I don't care what other people say - if you use only 1% of your effort you will set the world on fire. Thank you for being such a wonderful friend. I hope you have a tremendously successful time in college. (I also hope I have a tremendously successful time in college!)

I reinterate ---- you have certainly helped to make the Senior Year at Neville worth while and I've enjoyed knowing you.

Keep smiling and ----

Love,

Katie

Herb

You're not the only one who doesn't know what to say. I really can't believe EVERY thing is going so well for us. I thought I never would come down to earth. If it hadn't been for you I would still be a "stupid person". These last two months have been the greatest. (Except during six weeks tests) Maybe one of these days you and I will be able to think along the same line. We're working our way there. Huh? It is really hard to believe you are actually leaving this year. Next year will seem so funny with you gone. Neville just won't be the same. I just can't imagine me a Junior. After that, lucky me will graduate too. (If I pass Geometry) I hope that when you hit college you will never change. You are the greatest boy a girl could ever imagine going with. You have put up with alot. I hope that it never happens again. I'll never forget February 8. I've never been in such a good mood at a past party. Remember when you came over how queer we were acting? That went on almost the whole night. It sort of seemed like a dream. The end of my miserable sophomore year couldn't have ended better. I'll never forget the good times we have had. Remember our date after the Bastrop game in September when you and I were talking about all our troubles before we knew it. I had a wonderful time that night sitting in front of the Huddle. Also that night you went hunting for Mr. Thompson. That really did scare me. Brenda and I were on pins and needles. Well, I've said enough to bore you for at least a minute or two.

Love You Always,

Alice

Herb –

It just doesn't seem right possible for you to be graduating and it doesn't seem right for me to be a senior soon either – but – time does go on by. I never thought I'd see the day that Neville would be minus Herb Kilpatrick. Seriously, our friendship is one I'll always cherish and I hope it will never end. You helped me through many rough times (whether you knew it or not.) and I thank you from the bottom of my heart. Only one question who in the devil am I going to "talk to" next year??!? I'm really going to miss you. Do You still think that Andy and I will "talk each other" for the rest of our lives? Surprised you, huh? Our relationship has become and will always be a close one, this I truly believe. I wish you and Alice all the luck in the world. I know what you're thinking – yes- Chris and I are fine and happy. Please write me when you go to school. God bless you. And remember I'm still your close friend.

Love always, Jane

Here - here it is - the last day of the last year. God won't it be glad to get out. We have seen so much together (boy's state - 7% blasts, etc) that it is hard to recall any special moment - but they have all been good - Good luck
